

19th Annual Gathering of the Federation of the Sufi Message

“Transformation through Friendship and Collaboration”

Begins Evening of May 30th – Ends at Noon on June 3rd

Fazal Manzil, Suresnes, France

Dear Friends,

Heartful greetings from the Federation Planning Team! This year, the gathering will be at our beloved Murshid’s home, Fazal Manzil, and it will be only for leaders within each member organization. We would like to welcome as many leaders as possible to experience this coming together in the spirit of the Message. Due to capacity limitations at Fazal Manzil, each member organization will have a certain number of spaces, which will be filled on a first come, first served basis. Please note that because English will be the primary language used in the gathering, the planning team is committed to make sure that translation is available for non-English speakers. So, come, come, whatever language you speak!

If you would like to share these days with your brothers and sisters in the Message, please fill out this registration form and send to the address listed below as soon as possible. Before making definite travel plans please wait for a confirmation from us.
